

Suggest books for the library from home!

We always welcome suggestions for purchase of books to add to our collection at Taupo District Libraries. Currently, you can make suggestions to our staff, at the library and via our website.

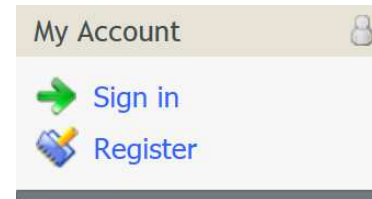

We are trying to streamline this further and make it easier for you to have input into the collection by creating a "Basket" on our book supplier's website. Your suggestions can then be transferred directly to orders by our staff as long as they meet collection development policy guidelines.
