**Subject:** FW: Written Notice of Water Designation Roll Over - Taupo District Plan

Hey Tom, thank you so much for sending those roll overs through to us.

There are three new designations put into the plan since the call for roll overs. These are Omori Water Treatment Plant, Tauhara Ridge Reservoir and Whareroa Water Treatment Plant. Just for completeness, are these needing to be rolled over too? Just a simple yes or no answer from you is needed we do not need to go over the tables.

Thank you 😊

**Subject:** Written Notice of Water Designation Roll Over - Taupo District Plan

Christle

Please find attached written notice for roll over of the existing designations related to drinking-water as part of the District Plan review process. Note that we have a new Notice of Requirement (**REF241040782**) currently being processed by TDC planning, which will also require roll over. Finally, we also have Planz Consultants working on some new NOR/designations to include as part of the District Plan review process.

Please let me know if you need any additional information.

Cheers
