

Taupō District Council  
Taupō Ward  
Electing 7 Councillors

**Mich'eal DOWNARD**

My principal place of residence is in the Taupō Ward area.

I have lived in Taupo for the last 30 years, own and run two successful business that have employed over 30 local people.

I have been married to Tania for 26 years, and with her have five beautiful children, that have gone through our local schools for their education, and grown up in our local town enjoying what our beautiful Taupo district has to offer. I am very passionate about the local community we live in, in which I am on many voluntary organisations to lend a helping hand.

I feel I have a whole range of skills and a good heart to represent the local community on the council.
