Ian ASHMORE

My principal place of residence is in the Turangi Town Community Subdivison area.

I have been a Turangi resident since 2004, after moving here for a better lifestyle, and am both a local business owner and amateur photographer, promoting the local area through my photos.

As a current member of the Turangi Action Group and with a background in operations for both Council and larger, private companies, I have a good understanding of both the needs and requirements of the community and wider Turangi district, especially at an operational level.
