Willy TIOPIRA

My principal place of residence is not in the Tongariro Community Subdivision area.

Kia ora Koutou. My name is William Tiopira. I am of Tuwharetoa and Ngati Pikiāo descent and have lived and worked here since 1965. I had a descent break overseas but always felt the urge to return home. I am competitive by nature however my greatest satisfaction is assisting in the growth of others. I take pride in the fact that I am a loyal and honest person. I am driven by positive results however minor. I am a good motivator of people but I do have the gumption and demeanor to take a hard stand as required. I am very interested in the opportunity this presents. I have lived and worked around the world which has enhanced my appreciation of what we have (and do not have) here in our corner of the world. I have found my way home. Now I wish to get involved.
