

Taupō District Council
Taupō Ward
Electing 7 Councillors

Sean WAKELIN

Vote for Change

My principal place of residence is in the Taupō Ward area. I am also standing for Mayor.

Taupō is our home. It's where we live, work, play, and raise our children and although we've experienced recent growth, we need continued sustainable development without it being at the

cost of local services nor paid for from local pockets.

Raised in a family committed to the betterment of our region, I grew up with a strong sense of community purpose, inclusion, and unity, where respect was a highly regarded commodity, and it is therefore only natural for me to run for council.

Having made a career as a small business owner, both in hospitality and sales I have an innate understanding of what makes our town tick and realise that although we won't always agree that doesn't mean that we can't work together to ensure our continued manageable growth and inherent success as the best town in New Zealand.

Vote for Change - Vote Sean for Councillor.
