

Taupō District Council
Taupō Ward
Electing 7 Councillors

Rod HANSEN

My principal place of residence is in the Taupō Ward area.

Hi Taupō, I shifted here a little over two years ago from Hawke's Bay and live here full time.

I am currently self employed and as such I am able to dedicate my energy to serving the

community on the Taupō District Council.

Being new to this beautiful district has some advantages because I would come to council without a predetermined view point. However I must declare I am opposed to Three Waters.

I have a sound reputation for getting on with people from all walks of life which makes me an ideal person to be the people's representative as I will listen to all view points with a fair and open mind.

I have experience in: Sales & Marketing, Business Management, Compliance & Law Enforcement, Conservation & Environmental, Working across many Government Departments, Previous Councillor/Governance experience, Civil Defence & Emergency Management.

Vote Rod Hansen for positive outcomes.
