TO BE COMPLETED BY THE PERSON WHO HAS UNDERTAKEN THE BUILDING WORK

Author company: _____ BC number: _____

Author name: _____

Description of drainage work: _____

Legal description: _____

Site address: _____

I have sighted the above building consent and read the attached conditions of consent and confirm that the drainage pipe work and fittings have been selected and constructed to comply with the consented plans to the extent required by the above building consent and comply with clauses E1 and G13 of the Building Regulations 1992.

I hereby certify that the storm water disposal system that has been constructed in accordance with the approved plans for the above building consent and/or the details as shown on the 'as built' plans supplied with this statement.

I hereby certify that I have personally tested the drainage system by the method indicated below:

- Verification Method E1/VM1 – Air and Water testing methodology; or
- AS/NZS3500.2 - Air and Water testing methodology; or
- Acceptable Solution G13/AS2 – Air and Water testing methodology.

I have provided accompanying photographs of the soakholes & soakpits suitable as a clear record of their types, locations, depths and installation.

I understand that the Council will rely upon this producer statement, for the purposes of establishing compliance with the above building consent. This PS3 needs to be accompanied by supporting documents; for example, reports and site photos to help support the PS3
