NOTES TO SUBMITTER:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. - it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;

Submission

The specific parts of the application that my submission relates to are: The height of the proposed buildings, the amount of buildings on a small site which will bring traffic and parking problems to that area and the busyness of the adjacent intersection which is hectic already and at times very congested. It will also be more unsafe for children crossing here from Grace Crescent and above, as they head to the lake. This development is anti the vibe of that area of Taupo which is residential and family related.

My submission is: In opposition of the application or specific parts of it

Please detail the reasons for making your submission: The development is above the height restrictions and will be not enhance the views of the occupants behind it.
The safety of our grandchildren on the road/ street around that area both on foot and on bikes.
The intense use of the land.
The change of character that this development will bring to this area.

Alternatively, please upload document detailing the reasons for making your submission:

I seek the following decision from the Taupō District Council: Apartments be limited in number.
The council height restrictions be adhered to.
Traffic management and congestion being of vital consideration.

Do you wish to attend the hearing? No

Delegation of functions, powers and duties:

I do not request, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.
