Submission

The specific parts of the application that my submission relates to are: The development of a further 100 houses at the 7 Oaks site.

My submission is: In opposition of the application or specific parts of it

Please detail the reasons for making your submission: Kinloch settlement has undergone considerable housing development since we became owners of a property in Lisland Drive in 2014.

We oppose any further development of housing for the following reasons:

- the Village is under equipped in terms of infrastructure, for further population growth- there are few shopping amenities, lack of capacity for waste water, and sewerage, water supply, and general amenities, such as a Library, and a Medical Centre.

- The character unique to this Village is changing - how long before Kinloch becomes to be regarded as a suburb of Taupo town? Villagers chose to live here over settling in a suburb of Taupo town, for various reasons

- There is an impact on the environment - habitats of fish and birds are being negatively affected by earthworks, and the impact of a greater number of people

- As more houses are developed, there is a negative impact on the value of existing properties

- Why should the way of life enjoyed by current villagers and holiday home owners be compromised by the further greed of land developers?

Alternatively, please upload document detailing the reasons for making your submission:

I seek the following decision from the Taupō District Council:

- That further development of housing at the 7 Oaks site not be permitted

Do you wish to attend the hearing?

No

Delegation of functions, powers and duties:

I do not request, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.
