15 October 2012

## Temporary pool closure at AC Baths

**A technical fault at the AC Baths overnight has caused the brief closure of the outdoor and indoor leisure pools. The private thermal pools are also closed.**

However, the outdoor 25m pool and learn-to-swim pool remain open and Council encourages anyone wishing to come to the pools today to use these options.

Staff is working hard to fix the problem, and hope to have the pools re-opened later today. Updates will be posted to Council's website and Facebook page as they occur.

END
