- 7.2 When considering the preparation, review, change or variation of an RMA Planning document, key personnel from the Council will contact key personnel from the Trust as soon as practicable to determine the extent to which the proposal impacts on Te Ture Whaimana. This contact will initiate discussions on the issues, and identify whether there is a need for the Trust to participate in the processes through a meeting of the JWP in accordance with Clause 7.3.

Joint Recommendations

- 7.5 A report and joint recommendation will be prepared by the JWP to the Governance Committee prior to the Council initiating a formal process to prepare, review, change or vary an RMA Planning Document. The recommendation will be written and signed by all JWP members, or provided by email and copied to all JWP members.
- 7.6 Following consideration of the JWP recommendation, the Governance Committee will make two joint final recommendations to Council:
- (a) Whether to commence a review of, and whether to make an amendment to, an RMA Planning Document; and
 - (b) The content of any RMA Planning Document to be notified.

- 7.7 The recommendations in Clause 7.6 may occur at separate times within the plan development process.
- 7.8 A Governance Committee recommendation is considered a formal recommendation to Council when preparing to initiate a formal process to prepare, review, change or vary an RMA Planning Document.

Decision-Making Opportunities

- 7.9 At an appropriate stage of the plan development the JWP will meet to discuss the participation of the Trust in making decisions on preparing, reviewing, changing or varying an RMA Planning Document under Clause 10 of Schedule 1 of the RMA.
