

GREAT LAKE TAUPŌ  
Taupo District Council

Reduce the amount of waste your business sends to landfill  
with the Resource Wise Business Programme

## HOW DOES IT WORK?

- > Your business makes a commitment to work through the Bronze, Silver, Gold and Platinum stages of the programme over a minimum period of four years
- > A Resource Wise Business Consultant will conduct annual waste audits of your business's waste
- > A Waste Audit Summary and Action Plan specifically designed for your business will be provided to you
- > You will receive support to help you complete the actions and work your way through the stages
- > Certificates will be awarded to your business as you complete each stage

## WHAT HELP DO YOU GET?

- > Annual Waste Audits, a Waste Audit Summary and an Action Plan specifically designed for your business
- > Access to a Resource Wise Business Consultant to help you through the four stages of the programme
- > Signs, posters and advice on infrastructure
- > Resource Wise Business branded logos for websites and social media sites
- > Template documents
- > Invitation to workshops

To hear more about the Resource Wise Business Programme and what is involved,  
please register to attend an Introductory Workshop.
