

ROCKWALL LOCALS' WEEKEND

Have you ever wondered what The Edge Rockwall at Taupō Events Centre is all about? Now is your chance to find out – at a discounted price!

From 9am to 6pm on Saturday, April 8 and Sunday, April 9 you can come along to the Rockwall for just \$5 including harness hire.

Our indoor climbing wall is popular with locals and visitors alike, so this is your opportunity to see what all the fuss is about.

It's suitable for all skill levels and age groups, and we also have two clubs kids can join if they find themselves a new passion.

The best part about our Rockwall is that you can do it rain, hail or shine because it's indoors! At 12 metres high, the wall has a range of different climbs to suit every ability.

Our friendly, qualified instructors will also be on hand to offer assistance and technique advice, so you can learn something too.

Mt Tauhara Gymnastics Club will also be running a sausage sizzle over the weekend.

Please remember to bring closed shoes as it's a requirement to use the Rockwall, and proof of address to confirm you're a resident.

We are looking forward to seeing you join in the fun!

SHARE YOUR VIEWS ON THE TAUPŌ CONNECTOR

It's time to share your ideas about how we can provide a better public transport service in the Taupō District.

The Taupō Connector operates three main routes around Taupō six days a week, helping people get from Wharewaka to Wairakei Village and everywhere in between.

We're working with Waikato Regional Council to undertake a review of the Taupō Connector before the service goes out for tender next year. Infrastructure manager Denis Lewis is encouraging members of the community to have their say to help us decide how we can make our service better.

"We welcome comments on the likes of bus times and routes, what destinations we service and how we cater for tourists."

You can fill in the short survey online at busit.co.nz/Regional-services/Taupō-Connector/ or pick up a hard copy from the Taupō i-SITE, AC Baths, on the buses or at any council office or library.
