

## WE WILL REMEMBER THEM

Fallen servicemen and women will be remembered in dawn and civic services around the Taupō District on ANZAC Day. The main ceremony will be held at the cenotaph on Tongariro Domain in Taupō at dawn.

Those involved in the dawn parade will depart from the Taupō RSA on Horomatangi Street at 5.50am. The procession will travel along Horomatangi, Ruapehu, Tamamutu and Tongariro streets before arriving at the cenotaph for the 6.15am service. This route accommodates those with mobility issues as it avoids speed bumps.

Later in the morning, at 10.30am, a civic service and parade will be held. Mayor David Trewavas is scheduled to take part in the service and to make a short speech.

All ex-servicemen and women as well as other interested parties can take part in the parade. Those who want to join in can assemble adjacent to the Lions Train on Ferry Road at 10.15am, ready to march to the cenotaph outside the Great Lake Centre.

## ANZAC DAY SERVICES AROUND THE DISTRICT

### TAUPO

- › **6.15am dawn service:** Cenotaph, Great Lake Centre, Tongariro Street. (Meet at Taupō RSA at 5.50am to march to the cenotaph.)

### MANGAKINO

- › **10.15am cemetery civic service:** RSA cemetery, Lake Rd.
- › **11am civic service:** Mangakino District Services and Citizens Club, Wairenga Rd.

## STORMWATER GULLY MAINTENANCE

Have you wondered where the rainwater goes throughout our district as we head into the cooler months?

In several areas we have stormwater gullies, which are grassed and generally dry over summer. During winter however, these gullies play an important part in our stormwater system. Following heavy rainfall the gullies slow the flow of stormwater that could otherwise cause erosion and flooding in residential areas.

We are committed to looking after the place we love, with mowing, tree maintenance and landscaping taking place regularly on our reserves to keep growth under control. Our stormwater gullies receive the same treatment, which makes them safely accessible during the warmer weather, but it is important to remember their primary function is helping us manage stormwater flows.

## EARTH DAY LITTER PICK-UP

Earth Day Network, the global coordinator of Earth Day, is building the world's largest coalition of people united in ensuring we have a healthy planet.

This year, the focus is around a reduction in plastics globally, and here in Taupō we can do our part by picking up litter and educating ourselves in ways we can help clean up and recycle plastics in our region.

So how can we do our part? Come and help us tidy up! Following on from tree-planting days and previous litter pick-up events, Taupō District Council has an ongoing commitment to providing green options for our waste, in addition to reducing our overall carbon footprint and being responsible environmental citizens.

Join the team at the Float Plane car park in Ferry Road where volunteers will be split up to cover different areas, including the Tongariro domain, our lakefront and CBD.

› Sunday April 22, 10am.

## ROAD CLOSURES

### ANZAC DAY

- › Tongariro Street between Spa Road and Lake Terrace: 5.30am - 8am, 9.30am - 12pm
