

Taupō District Council  
Taupō Ward  
Electing 7 Councillors

---

**James NOTTAGE**

Let your voice be heard

My principal place of residence is in the Taupō Ward area.

Until last year I was a board member for Towncentre Taupō. I have worked closely with local businesses for the past 7+ years.

Keeping our town safe is important, this means not only keeping people safe but also property. I believe that we need to upgrade CCTV within our town centre and lighting down alleyways and industrial roads. We need to also look at how we communicate to the local community for consultation and updates on projects, an idea would be monthly town meetings after hours catering for all of Taupō.

I am determined, loyal, and willing to work hard for all of the Taupō community. I am a homeowner, business owner, husband and dad of 3 who lives, loves and works hard in Taupō.

Every decision needs to be made with all locals in mind, I would be honoured to serve you. Vote James Nottage.
