

IN THE MATTER of the Sale and Supply of Alcohol Act 2012 (the Act)

AND

IN THE MATTER of an application by Big Blue View Limited for a Variation to ON licence pursuant to Section 120 of the Act in respect of the premises situated at Two Mile Bay Reserve, 335 Lake Terrace, Taupo and known as "Two Mile Bay Watersports Centre".

BEFORE THE TAUPO DISTRICT LICENSING COMMITTEE:

Commissioner: Murray Clearwater

The Application:

This is an application by Big Blue View Limited for a Variation to ON licence in respect of the premises situated at Two Mile Bay Reserve, 335 Lake Terrace, Taupo and known as "Two Mile Bay Watersports Centre." The general nature of the business is that of a Tavern.

The current licensed areas under the On Licence number 020/ON/0290/2020 are the existing kiosk and a roped off outdoor area. **The variation is to include a permanently fixed pontoon extending over the lake edge.**

The defined areas are more precisely identified on the plan date stamped as received by Taupo District Licensing Committee on 5 June 2020.

The application was publicly notified on council's website for 10 days from the 10th June 2020 and did not attract any objections from the public.

The applicants are proven hospitality operators and experienced managers will control the day-to-day activities.

After a number of discussions and concerns about safety, additional enquiries were undertaken by the Police and Medical Officer of Health. They now report unopposed subject to two new conditions.

Two additional conditions will be added to the licence.

A specific booking must be made to occupy the Pontoon, and the area is not for general use. When in use the pontoon must have one dedicated server allocated to that area.

Table service only with a maximum of ten patrons on the pontoon at any one time.

The Decision:

We are satisfied as to the matters to which we must have regard as set out in the Act and we grant a variation to the On Licence authorising the sale and supply of alcohol for consumption on the premises, including the pontoon, to any person who is present on the premises.

The licence will still be subject to the existing conditions plus the two new ones. The expiry date of the licence remains the same i.e. 29 October 2022
