- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;

## Submission

**The specific parts of the application that my submission relates to are:** Kinloch Seven Oaks application to change consented subdivision to density housing.

**My submission is:** In opposition of the application or specific parts of it

**Please detail the reasons for making your submission:** In deciding to move to Kinloch, it was due to being unhappy living in an Auckland suburb where high-density housing was being introduced. This resulted in a change in the demographic of the area, with an increase in crime and a decrease in the sense of community. We, with a young child, sought a more holistic, community-oriented, and quieter living environment to provide our child with a childhood similar to what we experienced. After exploring options across New Zealand, Kinloch stood out to us. Upon inquiring about a section to build a home, we were informed that all resource consents for development in Kinloch had been approved, limiting the size Kinloch would grow and ensuring what would be in Kinloch aligned with our desires. We paid a good price to seize the opportunity to move to Kinloch.

This new application to change the consent goes against the reasons we chose Kinloch and what we were initially told regarding the development. Developers being truthful to their original intentions demonstrates integrity over a pursuit of more profits. While there is a place for high-density housing, small rural village-like communities such as Kinloch should be protected to prevent their disappearance.

Alternatively, please upload document detailing the reasons for making your submission:

**I seek the following decision from the Taupō District Council:**

To not allow the change of consent which would allow a similar or same concept of high density housing to take place in seven oaks Kinloch.

**Do you wish to attend the hearing?**

No

**Delegation of functions, powers and duties:**

I request\*, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority (please refer to the Notes to Submitter on Step 1).
