

## Resource Consent Submission Form

**Reference Number:** REF240403148

**Submitted On:** 03/04/2024 07:16 a.m.

### NOTES TO SUBMITTER:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in Part 11A of the Resource Management Act 1991.

If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners. You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

All submissions (including name and contact details) are published and made available to the public from our offices and on our website. Personal information will also be used for the administration of the notified resource consent process. All information collected will be held by Taupō District Council, 46 Horomatangi Street, Taupō, with submitters having the right to access and correct personal information.

## Submission

**The specific parts of the application that my submission relates to are:** Changing to allow higher density housing.

**My submission is:** In opposition of the application or specific parts of it

**Please detail the reasons for making your submission:** Dear Council Members,

I am writing to express my concern regarding the proposed high-density zoning application for Kinloch. Kinloch has long been cherished for its rural ambiance, offering spacious living and a close-knit community atmosphere. The ethos established by the founding families of Kinloch resonates with many of us who have chosen to call this place home.

Introducing high-density housing would fundamentally contradict the principles upon which Kinloch was founded. This unique corner of New Zealand represents a place where families can raise their children in a secure, community-oriented environment. As a recent permanent resident of Kinloch, I can attest to the profound appeal of this lifestyle.

My previous experience in Pukekohe, where high-density housing proliferated, has left a lasting impression. Unfortunately, such developments often lead to a decline in the quality of life, with issues ranging from littered streets and neglected properties to overcrowded living conditions and diminished safety.

I implore Seven Oaks and the council to uphold the original vision for Kinloch and preserve its essence of spaciousness, tranquility, safety, and minimal environmental impact. By adhering to these principles, we can ensure that Kinloch remains a haven for generations to come.

Thank you for considering my concerns and advocating for

the best interests of our community.

Sincerely,  
Shaun Munford
