Responsible Camping

www.camping.org.nz

Kia Ora and Welcome to Great Lake Taupō!

The Taupō district is a beautiful part of the Central North Island and the perfect place to explore by motorhome. Enjoy the spectacular scenery of stunning lakes and mountain views, friendly locals and plenty to see and do.

Taupō is a Campervan Friendly Town. We support **Responsible Camping** and also encourage the use of designated commercial camping grounds, DOC Campsites and Taupō's **Designated Areas**.

Join our **Responsible Camping** initiative to help keep Taupō district beautiful! We are committed to sustainability and to maintaining the district's natural environment.

Here's how you can help. **During your visit please:**

- Use the toilets available in the area
- Take advantage of our laundry facilities for washing clothes
- Enjoy local facilities for bathing
- Use the transfer stations or the rubbish dump
- Ensure your black water (sewage) and grey water (shower, sink and hand basin water) holding tanks are discharged at designated wastewater dump stations.

Anyone can be a responsible camper, whether you are a New Zealand or overseas visitor.

Responsible Camping falls into three categories:

Self-contained camping – travelling in a motorhome with a built-in kitchen, bathroom, a fresh water tank and holding tanks for black or grey water.

Non self-contained camping – travelling in a modified car, van or vehicle without some or all of the facilities needed for day to day living.

Tent camping – travelling by vehicle, bike or hitch-hike and sleep in a tent with no day to day amenities.

Where can I camp?

Taupō District Council is offering limited free short-term responsible camping in its **Designated Areas** (see map for locations and amenities).

We encourage all **Responsible Camping** visitors to use the commercial campgrounds, DOC Campsites and **Designated Areas** and their facilities and restrictions as shown on the map.

Certified self-contained campervans can park for up to two nights, for free, in a designated parking area on Ferry Road, which is walking distance from Taupō's CBD.

The camping hours in the **Designated Areas** are 5pm to 10am.

Can I Park on a Roadside or Park?

We want to ensure that everyone enjoys the beautiful views that Taupō has to offer. Therefore, parking during the night on the sides of the roads or parks or reserves in the towns of Taupō, Turangi or Mangakino is not permitted.

We welcome campers in self-contained vehicles to stay in one of our wonderful commercial holiday parks or a registered camping ground.

Please comply if a Taupō District Council officer request that you relocate.

Amenities

Water, waste, rubbish and power amenities are provided for all **Responsible Camping** users in all the commercial camping grounds for reasonable camping fees.

Also, limited amenities are provided at **Designated Areas and Sites** as well as at selected commercial sites throughout the district.

Rubbish Disposal

Rubbish can be disposed of at the transfer stations or rubbish dump. Please check the map to see where you can find the station nearest you. Please refrain from placing large amounts of rubbish in the **Designated Areas** or local rubbish bins.

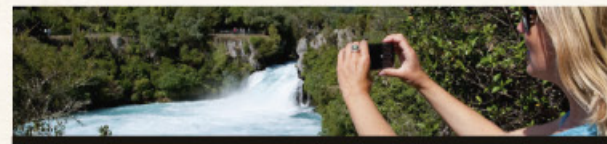

Rubbish Dump Stations

Please see the map to find the location nearest you.

Liquor Ban

Enjoy our district responsibly. Please note that a liquor ban is in place from 4pm every Thursday to 7am the following Monday and on all Public Holidays.

The liquor ban applies to all the CBD, North and South Domains including the lakefront from Rifle Range Road and Ferry Road and Boat Harbour to the Control Gate Bridge.
